

What next at 106avEM?

We want to see **God's kingdom** growing
in Clermont-Ferrand.

We want **everyone** to feel welcome in these
facilities that the Lord has given us.

The vision: disciples who make disciples

Perhaps you
contributed?
Thank
you!

Between 2016 and 2020, our church has acquired, with this building, a means to pursue growth.

Since January 2021, we are experiencing and accompanying this growth:

- New visitors Sunday after Sunday
- The start-up of a pre-service "welcome coffee" service
- Regular baptisms (6 in November 2022)
- The start-up of a training for "young Christians"
- The recruitment in March 2022 of a second (half time) pastor

And we dream of
going further!

Mickaël and Eric, our pastors

106avEM: a dynamic facility and witness

You can participate in this adventure

The 24th and 25th June 2023, we will be celebrating (dv) the 40th anniversary of the church : the perfect occasion to come and meet us?

By praying

No matter who sows and who waters, it is God who gives the growth! It is to Him that we must turn for each of our projects. Today, and every day, we need Him.

- A growing church, with the **challenges** of integrating new people, and managing change.
MAY HE KEEP US UNITED.
- A new building, the **temptation** is to wind down.
MAY HE KEEP US MOVING FORWARD.
- Bigger facilities, with the temptation to **be satisfied with** just more space.
MAY HE KEEP US FAITHFUL.
- Realise a project requires material and human **ressources**.

MAY HE PROVIDE OUR NEEDS.

By visiting

We appreciate sharing with our brothers and sisters what the Lord has done for us. Why not come and see for yourself, talk with us, or even help with the DIY work?

By giving

The completion of the renovations is estimated at 109 000 €. As we want to dedicate the maximum possible of our budget to the functioning and growth projects of the church, we have need of external gifts.
